R E M A R K S

Applicants respectfully request that the Amendment filed on July 5, 2001 be entered into the prosecution history of the present application prior to the present amendments.

Claims 1, 14 and 15 have been amended to recite that the ointment does not contain water. Support for this phrase is found on page 4, lines 4-6 of the specification (i.e., "... to add water...to dissolve Aspirin ... should be avoided"). In

addition, support for the phrase "without any other additive" is found on page 4, line 7 of the specification (i.e. "it is not preferable to add any additive"). Therefore, no new matter is introduced by Applicants' amendments to the claims.

Favorable action on the merits is respectfully requested.

Should there be any outstanding matters that need to be resolved in the present application, the Examiner is respectfully requested to contact Marc S. Weiner (Reg. No.32,181) at the telephone number of the undersigned below, to conduct an interview in an effort to expedite prosecution in connection with the present application.

Attached hereto is a marked-up version of the changes made to the application by this Amendment.

If necessary, the Commissioner is hereby authorized in this, concurrent, and future replies, to charge payment or credit any

overpayment to Deposit Account No. 02-2448 for any additional fees required under 37 C.F.R. §§ 1.16 or 1.17; particularly, extension of time fees.

Respectfully submitted,
